

## Finding Temporary Job Opportunities

### JOB POSTING WEBSITE:

The Student Employment Office website of the University of Michigan—Ann Arbor serves as a convenient way for students to find employment opportunities, while helping University and non-University employers find qualified employees. The site is available 24 hours a day, seven days a week, for students to search and apply for jobs online:

<https://studentemployment.umich.edu>

Once at the site, select **U-M Students** to search through job postings, view pay dates, and find other employment resources.

### HOW TO SEARCH FOR JOBS:

1. From the U-M Students page, select **Find a Job**.
2. Check the appropriate boxes for **Work-Study** and/or **Non-Work-Study** (see *The Work-Study Program* section of this brochure for more information on whether you are able to apply for Work-Study jobs; if you do not have a Work-Study award, check only the Non-Work Study box before searching).
3. The easiest way to search for a job is to simply select the **Quick Job Search** links for Recently Posted Jobs, All Available Jobs, or Community Service Jobs.
4. Click on jobs that are of interest to you to apply online or contact employers directly for interviews.

### OTHER RESOURCES:

While at the Student Employment site, choose **Other Resources under Information for Students** to link to useful University websites such as the Payroll Office, Human Resources and Affirmative Action, and the Career Center (for resume tips).

You will also find links to other jobs sources such as these links:

## The Definition of a Student Employee

A student employee is defined as anyone employed by the University of Michigan whose **primary purpose for being at the University is to obtain an education:**

*Any individual employed in a temporary position who is also enrolled at least half-time\* is presumed to be primarily a student and will be considered a student employee, unless facts clearly indicate otherwise. Student employee status is not affected during periods of typical non-enrollment, such as breaks between consecutive terms or during the Spring/Summer term, regardless of hours worked.*

\* Some exceptions apply to dissertation students and graduating seniors.

## The Work-Study Program

**Work-Study is a financial aid resource that is awarded to students who have financial need.** The award provides jobs for undergraduate and graduate students, allowing them to earn money to help pay educational expenses. Students earn Work-Study funds by performing part-time work for employers who qualify for the program under federal guidelines. These employers pay only a percentage of the student's wages, while the federal government pays the remaining amount. To receive Work-Study, students must:

- apply for financial aid through the Office of Financial Aid, and
- demonstrate financial need.

Students who qualify for a Work-Study award will have "Federal Work-Study" listed on their financial aid award notice. If you do not have a Work-Study award, you may only apply for the non-Work-Study jobs listed on the Student Employment Office website.

For more information on applying for financial aid and the Work-Study program, see <https://finaid.umich.edu/work>.

### ENROLLMENT REQUIREMENTS:

Work-Study students must be enrolled at least half-time as shown in the chart below (wait-listed courses **do not** count toward hours of enrollment) to be eligible for Work-Study jobs:

ENROLLMENT SCHEDULE		
Status	Fall/Winter	Spring/Summer
Undergraduate	6-12 credit hours	3-6 credit hours
Graduate	4-8 credit hours	2-4 credit hours

### WORK-STUDY COMMUNITY SERVICE JOBS:

Community service can be a valuable component of a student's educational experience. Students may choose to use their Work-Study awards to work for an approved Work-Study community service agency such as one of these:

- America Reads Tutoring Corps
- Ann Arbor Hands-On Museum
- Domestic Violence Project
- Ecology Center of Ann Arbor

Positions and agencies vary from year to year. Students with a particular interest in community service should click on the **Community Service Jobs** quick search link when conducting a job search on the Student Employment Office website.

## Required Employment Paperwork

To be employed at U-M, or to work for a university approved, off-campus employer, UM-Ann Arbor students must complete (original federal and state documents must be presented):

- Online U-M Student Employment Application
- Federal I-9: Employment Eligibility Verification form
- Federal W-4: Employee Withholding Allowance
- Michigan W-4: Employee's Michigan Withholding Exemption Certificate

All forms are on Wolverine Access (<https://wolverineaccess.umich.edu>) except the I-9 which must be completed in person at one of the Regional I-9 Centers. Locations may be found here: <https://ssc.umich.edu/human-resources/i-9-processing>.

## Payment, Schedules, and Benefits

### PAYMENT:

Students working for U-M are paid Fridays on a **regular, bi-weekly schedule** from the U-M Payroll Office. See Information for Students at <https://studentemployment.umich.edu> for dates. Direct Deposit enrollment information is located on the Student Business section of Wolverine Access (<https://wolverineaccess.umich.edu>). Students should **expect to be paid within three weeks** of completing and submitting employment materials and starting work. **You will not be paid, and should not work, until these materials are completed.** If you are not paid within three weeks, contact your supervisor for assistance.

Students working for non-University employers will be paid according to their employer's pay dates.

### WORK SCHEDULES:

Student work schedules are based upon the employer's needs and the student's academic schedule. Students should discuss their schedule with their employers during interviews. Employers will make every attempt to accommodate students' needs, but might not be able to schedule students for evening or weekend employment. **Students may not work more than 29 hours per week.**

### BENEFITS:

Student temporary employees are covered by:

- The University's Overtime Policy
- Workers' Compensation
- Social Security
- Travel Accident Insurance

Social Security is deducted from a student employee's wages only if he or she is enrolled less than half-time or not enrolled at the University. Student employees do not receive paid vacation, sick time, paid holidays or health care benefits.
